Based on performances in training, control tests and at the Team Challenge, our final teams for state clubs have been selected. Please find below the final teams and a confirmation of competition times for all girls.

In each team a Captain © has been selected to act as leader for the team and accept awards should the team win an award (and the entire team is not able to be awarded). This gymnast is also expected to assist the coach in leading warm ups, and keeping the team focussed and ready for competition.

Teams have been selected firstly to maximise the overall placing of each team and then apparatus placing for each team. All teams are eligible for awards in the Sunshine Team Challenge, Delta Gold, Blue and White teams are eligible for awards in the State Club Championships and the top two Delta Teams on the day are eligible to receive points to contribute to the Overall State Club Championships.

**We would love to have as many people in attendance at the event as much as they can to cheer on each team!**
