FUNDRAISING – HELP NEEDED

We need more people to refer a friend to take up the Optima Sports Starter Pack which includes 1 month membership and two personal training sessions. To date only two memberships have been sold and it will be such a waste if we miss out on this opportunity. (We can purchase a video review station for each 15 memberships we sell)

On a bright note, Katrina's Beauty Works have donated our first video / TV review system station (Thankyou to Katrina and Shane parents of Madison Level 4). Any other parents who know of a business who would like to support the girls I would love to hear from you. On another note, thankyou to the Brocketts and the Henry's who donated an emergency stretcher and set of neck braces to be available for our Delta events.
