COMPETITORS NEWSLETTER – September 1

Contents : Team Challenge 1 Results - Draft Program for Team Challenge 2

From : John Mitchell, Wendy Gilliver, Lauren Park, Eleanor Gavioli

Team Challenge Round 1

Great job girls – I hope you all learned from the competition. In line up after the competition, Wendy spoke to all girls about learning from the competition on the weekend, they should aim to focus on keeping the things they did well, getting rid of the things they weren't happy with and aiming to improve at training for their next competition.

The coaches also spoke to all girls about the value of being a part of Team Delta. In competition there will always be a team that places first and a team that places last. It is important that every girl in the Delta team understands that it is our goal to provide each girl with the opportunity to be the best they can be. In doing so, one of the benefits is that as a team and a club we will be successful.

While it is great to see our teams winning trophies and medals, it is the efforts of all girls that provide the encouragement for the girls who ultimately have the honour of receiving an award.

Please note that our team selections each week are designed to maximise the learning of girls for competition and improving all girls scores to be ready for future competition and team selection. For Team Challenge 2 there will be some small changes to teams to also accommodate a return to competition for the girls who missed competing on the weekend.

Presentations for the Team Challenge will be held at the conclusion of each competition. Awards will be presented for Round 2 results and Results over the two rounds of competition.
