Delta Force – Teams and Squad Parents Meeting – June 2009

State Team Trial Results

Congratulations to our girls who competed at the State Team Trials last week. Delta has just set a new record in Queensland with 10 girls being selected to the State Team to Travel to the National Titles and 1 girl to the Border Challenge. Special congratulations to Sidney McIlwaine and Taylor Ryan who were crowned South East Queensland Regional Champions and Wendy Gilliver who was selected as the Team Coach for the Level 7 State Team.

These girls are an important part of the overall development of our program because they provide leadership, they are role models and they allow all our girls to dream of what they can become.

Delta Challenge

The 2009 Delta Challenge will be occurring on Friday 19th – Sunday 21st of June. This is now our sole external invitational of the year and our opportunity to put on a great “home ground” advantage competition just before State Titles and a fund raiser for our gymnasts.

State Titles

The draft schedule for State Titles has been on the Delta website for two weeks now and we expect to get the final times for competition over the next seven days. Delta is required to provide 1 adult volunteer for each 5 girls we have nominated in any session. If you would be able to volunteer your time to make this event a success please see Joy prior to leaving the meeting.

June / July Holidays

All girls will have one week holiday after their last training or competition session over the June / July Holidays. I will prepare a full training plan for the next 5 weeks as soon as the State Titles draw is released. (This means that there will be a staggered return to training and girls who are going to Nationals will return to training on Saturday 18th July.

State Club Championships

This year the State Club Championships will be held at Caloundra on the first weekend of the September School Holidays. It is expected that the girls competition will be held on the 19-21st September. This competition will include all girls in Squad and Teams and girls will travel to Caloundra for their competition without staying in accommodation. John will discuss the reasons for structuring the tour in this manner and invite all families to a club BBQ after the final presentations.

State Squad in September

Girls selected in the Level 4 – 6 State Squad will have training at the Maroochy Beach Gymnastics club on Tuesday 22 and Wednesday 23 September. These sessions will be invaluable training experience for the girls and I hope that all girls will be able to attend. A full program for the two day schedule will be released in July.

Sydney – Open Tour

I welcome all girls to nominate an expressions of interest for an open tour to Sydney in the September Holidays. After our State Club Championships we will be embarking on an open tour of Sydney to the Northern Beaches Gymnastics Club “Gymnastics Clubs of Australia Cup” competition.

Girls will be travelling to Sydney via plane early Friday 25th September and then attending a welcome function on the Friday night. An individual competition will be conducted over the weekend with a farewell ceremony on the Sunday night. On Monday 28th we would have a sightseeing day in Sydney and return Monday night.

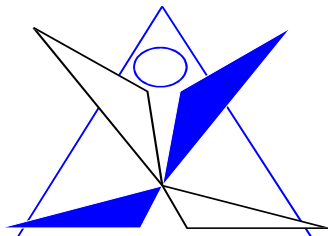

All girls from Squad to Teams are invited to attend the tour. In order to attend the tour, girls must be available for selection and attendance at the 2009 National Club Championships in Canberra. The estimated cost of the tour is \$500 including flights, meals, accommodation and expenses.

National Club Championships

This year the National Club Championships will once again be held in Canberra. Delta Brisbane will be selecting girls in all levels to attend the competition. John will explain the selection criteria and ask for expressions of interest in the tour.

Girls will depart Brisbane on Saturday 27th PM or Sunday 28th AM and return to Brisbane on Wednesday 2nd December. Girls will be accommodated at the Australian Institute of Sport and have all meals supplied by the AIS kitchens. The tour is expected to cost \$1000 with \$250 fundraising subsidy making the final price to families \$750.

RAFFLE : John will discuss the 2009 Raffle and distribute Raffle Tickets.
