- Don't forget to take home, jumpers, shoes and drink bottles.

STOP PRESS -

Delta Gymnasts make up half the Queensland Team.

Delta Brisbane has just set a new state record placing 12 of the 24 girls selected onto the Queensland Team to travel to the National Championships in Perth. This is a fantastic effort and one that the whole club should be really proud of.

Congratulations to all of our level 7-10 Squad gymnasts and our Queensland Academy of Sport gymnasts on their performance at the recent State Team trial held in Toowoomba. Our Delta girls performed their hearts out in front of a crowd of approximately 80 Delta supporters. The Delta Spirit is alive and well! It is most evident when people like Lauren Park go above and beyond the call of duty to make things happen. Thankyou so much to Lauren for organising the supporters and to Mia and Lauren N for coming along and caring for our supporters. It is so exciting to know that we are providing this type of life experience for both our younger gymnasts and of course the competitors who felt amazingly supported by the crowd.

We all watched with pride as our girls struggled with some falls and disappointments but demonstrated positive attitudes and never once gave up! The pride and passion of our supporters was evident as the Level 8 – 10's went over the crowd to thank them for coming to the competition.

We wish all of our level 7-10 gymnasts and International stream girls the best of luck at the National Championships in Perth and the Border Challenge in September. Thanks for being such fantastic leaders and role models! (And thanks Paul Merrett from Adrenalin Photographics for the great photo!)

Carnival Reminder

Don't forget our Winter Carnival is this weekend for the following classes: Early Gym Start, Gym Start, Gym Explorer, Gym Mover and all plus classes. If you are unsure of what time your child is participating please check out our notice boards, try the website www.deltagym.com.au or ask one of the coaches. We hope to see as many of you as possible at the carnival so come along and enjoy watching your child perform. A full cafe with coffees, food and drinks will be available. Extra parking will be available in the Clayfield College 'Tennis Court' car park (you can then walk through the underground tunnel into the sports complex). Alternative parking can be found on London Road, Vine Street, Drane Street and Wagner Roads. If you don't live far away, why not enjoy the fresh air and take a walk, ride or scooter to the gym!
